Comments *

John is a devoted volunteer, committed community member, and is accomplished in his field as an educator. After graduating from Allendale School in 1964 he went on to serve as President of the Board of Trustees at Island School in Bar Harbor, ME where he is also a US history teacher. He is committed to the independent school philosophy and has helped advanced legislation on education within his town and school district. Additionally, John serves as a class representative and helps to connect Allendale Columbia alums to one another, despite only having attended Allendale School. He takes this role with much pride and seriousness, always forwarding updated contact information and helping the school connect with other alumni. John's presence, attitude, and caring nature make him the perfect candidate for this award. He should be recognized for his incredible work within his field, and in our community. Please see his resume for further information regarding his professional background.
