Nursery/Pre-K

Nursery/Pre-K Summer Program June 17th - August 16th

Give your littlest ones a summer to remember with AC's Nursery/Pre-K Summer Program! Our large, air-conditioned classroom gives children the chance to explore during playtime and to find a quiet nook at naptime. AC teachers will guide students through fun art, science, reading, and writing activities to help further their skill development and take them outside to the playground or in the gym to get those wiggles out. Spend your summer with AC!
