LEARN MORE
allendalecolumbia.org/leap

AC Summer LEAP is a six-week summer enrichment program that seeks to close the opportunity gap in Rochester by offering high-quality summer learning experiences to students with low income.

COVID-19 RESPONSE

AC LEAP delivered a comprehensive program this past summer despite the challenges of COVID-19. As part of the Rochester Summer Learning Collaborative, AC LEAP offered weekly deliveries of project-based learning boxes and food along with virtual classes in core academic subjects, art, wellness, and music. AC LEAP also provided individualized social emotional support to students, and socially distant celebrations including the Backyard BBQ and the annual Student Showcase.
